13 January 2012

Dear PGRSA Associate:

It's time for the annual renewal of memberships, acceptance of new memberships, and order of publications.

To renew your membership or to join as a new member, you may use the attached forms or renew online with a credit card at <http://shop.ashs.org/home.php?cat=278>. Membership forms and the link for online renewal may also be accessed through our website [www.pgrsa.org](http://www.pgrsa.org). We encourage you to renew your membership or join PGRSA to stay in touch with the Society's news, receive a reduced rate for the annual meeting, and, coming soon, members-only on-line access to the most current Proceedings prior to public access.

In 2011, we partnered with the American Society for Horticultural Science to provide management services for PGRSA. Working with ASHS, we have updated our website and database. We are working towards more members only on-line privileges.

Please be sure we have your correct e-mail address, as PGRSA uses e-mail to correspond with its members regarding the annual meeting, including the call for abstracts and meeting registration, and other news updates. You may update your contact information at any time by contacting the PGRSA Executive Secretary, Dawn Mancini at [dmancini@ashs.org](mailto:dmancini@ashs.org).

Check the PGRSA website often to get the latest information on the annual meeting in Denver, July 21-26, access contact information for members of the Steering Committee, and communicate with us. We welcome your comments and suggestions.

Thank you!

Sincerely,

Sally Mayeux, Business Manager
